## Dana Point Aquatic Center AKA Aloha Swimming

## **Facility and Pool Rules**

- 1. For safety, the facility, pool and parking areas are monitored 24/7 by video surveillance.
- 2. Children under the age of 14 must enter and exit the facility with parental supervision.
- 3. Parents/guardians are to monitor their own children at all times inside and outside the pool.
- 4. Parents/guardians will be required to "lifeguard" your children during their play time.
- 5. Play time is 10 minutes before and after each lesson based on pool space and behavior.
- 6. Swimmers with long hair must wear a cap or hair bands to keep hair out of eyes. No metal clips.
- 7. Children must be supervised by parents/guardians to the bathroom at all times.
- 8. No sunscreen on pool deck. It must be applied BEFORE arrival for maximum protection.
- 9. Rash guards are okay to wear. A snug fit is best for swimming as they stretch in water.
- 10. Goggles may or may not be recommended for your child's class. Check with the instructor.
- 11. Children should be encouraged to use the restroom prior to entry in the pool.
- 12. If your child is not potty trained, or there is a chance of accident, they must be in swim diapers AND rubber pants. There is a \$100 fee for accidents in the pool when precautions were not taken.
- 13. No swimming if infections, illness, contagions or sores will be a detriment to others.
- 14. No smoking anywhere on the facility including the parking areas.
- 15. No diving unless with the instructor during the lesson.
- 16. No running in the facility at any time.
- 17. No glass on the premises.
- 18. No roughhousing.
- 19. No throwing objects in or around the pool.
- 20. No pushing others on the pool deck or in the water.
- 21. No climbing hanging or sitting on tables, equipment, trees or anything else that poses risk or possible damage.
- 22. If you break it, you pay for it.

I have read and understand the Pool/Facility rules as defined above. I understand and agree that disciplinary measures, such as time outs, loss of practice/play time or even ending of the current lesson may be implemented for disregarding rules. Furthermore, this is a private non-commercial facility and although we will make every effort to resolve any problems or issues, we do reserve the right to refuse service if we cannot come to an amicable solution.
